Agreement to help with fundraising and other activities

Autism Support Louth&Meath Youth Clubs are funded through fundraising activities. Our leaders are paid trained staff. There are costs of insurance, materials and equipment and a contribution towards the costs of the hall and minibus. On average it costs €55000 per annum to run the youth club and this cost is increasing every year as we try to provide more hours and include more children. We are asking all parents to commit to supporting our fundraising efforts throughout the year by perhaps running a fundraiser themselves, helping at the Flag Day, sponsorship or attending one of the many fundraisers we run over the year.

Sharing With The Public: Sometimes, we share things with the public, which can be seen by anyone in the world with an internet connection, such as on social media, over the radio or on our website. It is important to know that after something has been shared on the internet, even if it is deleted, it is still possible that someone can find the deleted information.
