

Our Lady of Lourdes Hospital Paediatric Dietetic Department

This is the entrance to the hospital.

The dietitians office is located in Area 4.

This is a small building outside the main hospital.

When I arrive I will go to room 12 to check in.

In this room I will meet a secretary that will check my name and other details.

Then it is time to wait in the waiting room.

I will wait here until the dietitian is ready to see me.

While waiting, I can play with my favourite toys, read a book, listen to music or watch my device.

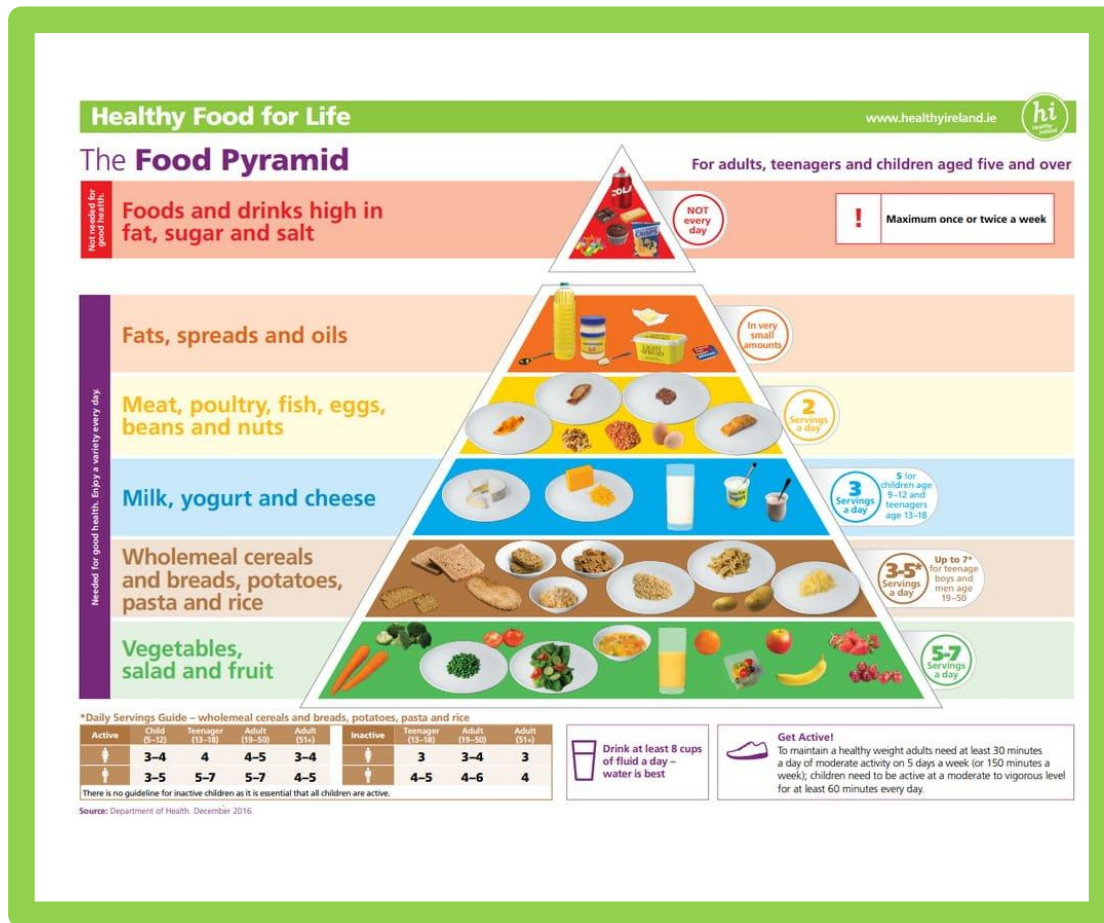

The dietitian will meet me in the waiting room when ready to see me.

This is the room I will go to for my appointment.

The Dietitian will first measure my weight and height. I will be still during this.

Then the dietitian will talk to me and my family about what I like to eat and drink.

Dietitian will give me and my family some ideas about food for me to try at home.

I might have to come back for another appointment in a couple of months.

The dietitian will tell me what happens next.

Now my appointment is finished.

I can say goodbye to the dietitian
and exit the hospital.
